ICE BREAKING EVENT

Date: 14th Feb 2025

Event Coordinators: ANAND SHUKLA,KAUSHAL KR.

Faculty Guide: Dr. Amir Prasad Behera

Introduction:

The Language Club organized an engaging and interactive Ice-Breaking Event to kickstart our new session on 14 February. The primary objective

of this event was to welcome new members and create a comfortable environment where everyone could get to know one another, break down barriers, and foster a sense of community within the club.

Recognizing the diverse backgrounds and language skills of our members, the event featured a series of fun activities designed to encourage participation, build rapport, and promote open communication.

Through games, group discussions, and creative exercises, participants had the opportunity to share their interests, learn about different cultures, and develop new friendships.

This event set the stage for a vibrant year of language learning, cultural exchange, and mutual support, aligning with our club's mission to enhance linguistic skills while celebrating diversity.

Objective:

- 1. Facilitate Introduction and Networking:** To provide a platform for all participants to introduce themselves, share their interests, and build connections with fellow club members.
- 2. Encourage Participation and Engagement:** To create an inclusive environment where members feel comfortable participating in activities, breaking down social barriers, and promoting active engagement.
- 3. Promote Effective Communication:** To highlight the importance of clear communication through fun activities like the "Chinese Whisper" game, reflecting the club's focus on language skills and cultural exchange.
- 4. Foster a Sense of Community:** To establish a welcoming and supportive community within the Language Club, where members feel a sense of belonging and are motivated to participate in future events.
- 5. Set the Tone for Future Activities:** To kickstart the session with enthusiasm and positivity, setting the stage for a vibrant and interactive year of learning and growth.

Events Conducted

1. Words Game

The Words Game was designed to enhance participants' vocabulary and word-building skills through a fun and competitive format. Members were grouped into teams and tasked with forming as many words as possible from a given set of letters within a time limit. Points were awarded based on the uniqueness and length of the words created.

This activity sparked creativity and encouraged quick thinking, as participants delved into their language skills to outwit their opponents. It also promoted teamwork and fostered a healthy spirit of competition among members.

2. Guide the Blind

Guide the Blind was an innovative activity aimed at improving communication and trust among participants. In this game, one member of the pair was blindfolded, while the other acted as a guide, using precise and clear instructions to lead their partner through a simple obstacle course.

The activity highlighted the importance of effective communication and patience. It not only strengthened the bond between participants but also served as a reminder of the significance of mutual trust and understanding in language and life.

Participation:

- Total Participants: 32

Language Club paralakherundi

Date: 14/02/2025

Venue: Seminar Hall
6 pm to 8 pm.
